

DRAFT RESOLUTION

Creation of favourable conditions to accelerate the  
independent and peaceful reunification of Korea

The General Assembly,

Noting that the peaceful reunification of Korea has still not been achieved, although 27 years have already elapsed since the division of Korea and 19 years since the establishment of the armistice in Korea,

Warmly welcoming the recent joint statement in which North and South Korea have agreed:

(a) On the three principles on which reunification should be based, namely:

(i) The reunification of the country must be achieved on the basis of full independence, without recourse to foreign troops and without foreign interference,

(ii) The reunification of the country must be achieved by peaceful means,

(iii) Great national unity must be promoted,

(b) To reduce tension, prevent all military conflicts and engage in multilateral exchanges,

(c) To establish and put into operation a co-ordination committee for the purpose of solving the problem of reunification,

Considering that it is in accordance with the principles of the United Nations Charter to encourage to the utmost the
